Remark :

- To avoid impacting the schedules of passengers, it is recommended to arrive at the boarding point 5 minutes in advance.
- Due to limited number of bus seats, passengers are served on a first-come-first-serve basis. The bus will depart when all the seats are taken or at the scheduled time.
- When Typhoon Signal No. 1 or Typhoon Signal No. 3 is hoisted, the bus services will be provided as usual.
- If Typhoon Signal No. 8 or higher Gale or Storm Signal is hoisted before the start of bus services on that day, the services will be suspended until a Typhoon signal No. 3 or lower is issued. Bus services will resume gradually based on the prevailing road traffic conditions.
- If a Typhoon Signal No. 8 or higher Gale or Storm Signal is issued during the service hours, bus services will be suspended for 2 hours after the said Signal is hoisted.
- The above schedule may be subject to slight changes due to the prevailing road or weather conditions, without prior notice.
- In case of any disputes, Pok Oi Hospital and its authorized management company reserve the right for the final decision.
